

CURRICULUM VITAE

NAME Sumayah Sami Hashim
DATE OF BIRTH ٢٦-May-١٩٧٩
PLACE OF BIRTH Baghdad, Iraq
SEX Female
NATIONALITY Iraqi
MARITAL STATUS Married
RELIGION Muslim
LANGUAGES Arabic, English
Email sumayahsami٥٥٥٦@gmail.com

• Educational Qualifications

١- A. B.Sc. In biology (٤ years) from University of Sana'a, Collage of Science, Dept. of Biology at ٢٠٠١.

٢- BM.Sc. In biotechnology, from Baghdad University /Collage of Science/Dept. of Biotechnology ٢٠١٦. My thesis title (**Protective and curative effect of ginseng aqueous crude extract against Aflatoxins in vivo**).

• Skills

- Computer skill: Work with basic computer programs (MS Office, Word, Excel, Power Point, etc....).
- Thin layer chromatography (TLC) technique.

• Scientific Conferences and Symposia

- I. Workshop on fermentation technology and bioreactors and its applications, organized by biotechnology department, college of science, University of Baghdad during ٢٤-٢٨ may ٢٠١٣.
- II. Course for TOEFL at Center of Development and Continues Education, ٢٠١٤.
- III. Second scientific conferences / biotechnology research center / Al- Nahrain University / November ٢٠١٠.
- IV. Biosafety training course at collage science / Biotechnology department during ٤-٧/٩/٢٠١٦.
- V. The first specialized scientific conference for postgraduate students, college of science, university of Baghdad during ٥-٦ October ٢٠١٦.
- VI. The use of the endnote program for managing resources in the writing of researches and papers and practical messages, biology department, college of science, university of Baghdad ٢٠١٧.
- VII. Workshop of individual safety and collective protection in laboratories / Institute of Genetic Engineering / March ٢٠١٩.

• Publication

- ١- **Purification of hemolysin from *Aspergillus fumigatus* and study its cytotoxic effect on normal cell line (REF) *in vitro*.** Batool Omran Theeb, Farooq Ibrahem Mohammad, Abdulkareem Jasim Hashim and Sumayah Sami Hashim. Egypt. Acad. J. Biolog. Sci., ٥(٢): ٢٥-٤٣ (٢٠١٣) G. Microbiology, ISSN: ٢٠٩٠-٠٨٧٢.
- ٢- **Effect of *Lepidium sativum* Aqueous Crude Extract in Some Fertility Parameters in Mice.** Shaima R. Ibraheem, Muntaha R. Ibraheem, Sumayah S. Hashim, International Journal of Science and Research (IJSR) ISSN (Online): ٢٣١٩-٧٠٦٤ Index Copernicus Value (٢٠١٥): ٧٨,٩٦ | Impact Factor (٢٠١٥): ٦,٣٩١.
- ٣- **Protective and curative effects of *Panax ginseng* aqueous crude extract on biochemical changes of BALB/c mice exposed to Aflatoxins.** Sumayah Sami Hashim and Muayad Sabri Shawkat Department of Biotechnology. College of Science, University of Baghdad. Iraqi Journal of Science, ٢٠١٦, Special Issue, Part A, pp: ٦٤-٧٣.
- ٤- **Protective and curative effects of *Panax ginseng* aqueous crude extract on histopathological changes of BALB/c mice exposed to Aflatoxins.** Sumayah Sami

Hashim and Muayad Sabri Shawkat: Department of Biotechnology. College of Science, University of Baghdad. Egypt. Acad. J. Biolog. Sci., ٨(١): ١٥-٢٤ (٢٠١٦).

- ٥- **Cytotoxic Effects of Some Medical Plant Extract against Cancer Cell Line Using Tissue Culture Technique.** Dlawer Abdulhameed Ahmed Al-Jaff, Sumayah Sami Hashim, and Mohamed Mahmoud Farhan Al-Halbosy. January–February ٢٠١٨ RJPBCS ٩(١) Page No. ٨٧٧.
- ٦- **Protective and Curative Effect of Ginseng Against Aflatoxins In Vivo**“, authored by Sumayah Sami. The book was released by LAP LAMBERT Academic Publishing in ٢٠١٧ and bears ISBN ٩٧٨-٣-٣٣٠-٠٢٥٨٠-٦.
